|--------------------|----------------|---------------|

| <u>Calculation of license fee based on rate schedule 7</u> | <u>Rate</u> | <u>Fee</u> |
|--|-------------|------------|
| For GROSS RECEIPTS not exceeding \$2,000 | \$60.00 | \$60.00 |
| On each additional \$1,000 or fraction thereof between \$2,000 and \$1,000,000 | X 1.15 | _____ |
| TOTAL FEE | | ===== |

Call Business License Official at City Hall for help calculating the fee.

| |
|---|
| Here is a simple explanation for figuring the license fee: The fee is \$60 for the first \$2,000 plus \$1.15 for each additional thousand above the first two. Fractions of thousands are not used; round up the gross to the next thousand. A declining rate is used for gross amounts above \$1,000,000 (call City Hall). |
