To make our citizens feel more comfortable utilizing the Doodle Trail, the Pickens Police Department will continue doing patrols on the trail. You may see “Peaches” our horse with Officer Mason occasionally. “Peaches” loves the camera. We also have Sgt. Nalley on a scooter checking up on things. Officer Morris may be on the bicycle. Our golf cart will also be used to ensure your safety and stress free experience while utilizing the trail. We, of course, will continue to ride through the parking lot. Feel free to stop an officer and relay any concerns or just say “Hi”. Remember, we are here for you.
