Sanitation Collection Application for Customers Outside the City Limits

Residential water customers outside the city limits of Pickens may apply to have their household trash collected weekly by the City of Pickens. The City normally approves new sanitation customers outside the City limits when the residence is close to an existing sanitation route and it can be collected without causing undue strain on our current public works operation. Approval of new sanitation customers outside the City limits is at the sole discretion of the Public Works Director.

The City will pick up household trash only. The household trash must be in bags and be placed at curbside by 7am on the collection day. There is a 30lb weight limit on each bag. **No hazardous material, tires, batteries, TV's, computers, electronics, brush, leaves, appliances, etc. will be picked up.** Customer must maintain service for a minimum of 6-months and must give a 30-day notice of cancellation.

Return completed forms to the City of Pickens 219 Pendleton Street, Pickens, SC 29671.

I agree to pay the monthly fee for sanitation collection outside the City limits (currently \$23.50 per month). I understand the billing for this service will appear on my regular monthly water bill and it is subject to the same collection terms of my water bill.
