

TRASH

In a year, the average individual in Pickens creates **1,242** pounds of trash. That is the equivalent weight of **5** American Black Bears.

JUNK & LITTER

JUNK in your yard has the same **negative** effect on your neighborhood and the environment as LITTERING.

DID YOU KNOW

you have many services included in your trash pickup with the City of Pickens?

According to the National Association of Home Builders the presence of litter/junk in a community decreases property value by **7%.***

We can't pick up: metal, batteries, tires, TV/electronics & shingles.

There is no extra cost for a recycle bin! All you have to do is ask!

AND if the City can't pick it up to the Pickens County Midway Recycle Center located at 109 Cold Springs Church Road.

Your service includes Brush & Construction/Demo pick up!

JUST DON'T DO IT! PICK UP PICKENS! KEEP IT CLEAN!

According to Chapter 13 of the City of Pickens Code, it is **ILLEGAL** to leave JUNK in your yard. For more information please contact City Hall.

Please call City Hall for more information on your trash pick up dates.
